SUBJECT: Resolution

TITLE OF AGENDA ITEM:

A Resolution of the Town of Davie, Florida, waiving formal bidding and accepting the bid for 20,000 cubic yards of base fill material for Pine Island Park.

REPORT IN BRIEF:

The Town is currently developing recreational facilities at Pine Island Park associated with the Park Bond Program which requires additional fill materials added to the site. We have the opportunity through Triple R Paving to utilize excess base fill materials from the Griffin Road Reconstruction Project. This offer is subject to the Town's ability to execute a timely authorization of the transportation requirements. The contractor has offered this material to the Town at no cost beyond that of transportation to the park site. These materials are of a much higher quality than standard base fill materials and we have secured written bid proposals confirming the competitiveness of Triple R Paving's offer.
